Royal Decree

Implementation of Crown Corporation Sole Entire Philippine Archipelago (No. 04/2017)

I, ROYAL HIGHNESS KING DATU KULUBAN CONSTANCIO A. SALVO, JR., the Successor of Maharlikan blood from generation to generations and was duly recognized as SOVEREIGN CROWN, SOLE and ABSOLUTE RULER of all Tribal Kings of 110 tribe's indigenous peoples in the Royal domain of Philippine Archipelago,

As definition to the **Crown** is a non-statutory corporation sole and succession is thus integral to the Crown as a corporation sole because the Crown can never be vacant, and cannot be disembodied from a natural person, which means the Crown depends on the line of succession. Perpetuity and seamless succession were the underlying motives behind the gradual establishment of the Sovereign as a corporation sole,

Corporation Sole consist of one person only and his successors, in some particular station, who are incorporated by law, in order to give them some legal capacities and advantages, particularly that of perpetuity, which in their natural persons they could not have had. In this sense, the King is a **Sole Corporation**,

Consequently the King is made a corporation to preserve the possessions of the crown entire; for immediately upon the demise of one King, his successor is in full possession of the regal rights and dignity.

Virtue of Natural Law, I adopted and vested pursuant to United Nations Declaration on the Rights of Indigenous Peoples hereby enact a Royal Decree as follows:

Rule 1 Must follow Culture and Tradition within such Territories or Kingdom and must have permission and consent from the Highness King of all Tribal Kings in that Territory.

Rule 2 The occupancy of the said area and land must have the Tribal King's permission in that Territory.

Done in Philippines, on 25 September 2017.
